

Dear Parents,

On November 13th, we will be attending a field trip to the CHUA PHAT HUE Buddhist temple which is located directly across Idlewild Road from Mint Hill Middle School. This cultural experience will align with our unit on the Indus River Valley civilizations and the development of Buddhism in the region. Since this is a walking field trip, there is no cost for this experience. Students will have an opportunity to hear from a Buddhist monk and learn about the culture. If you have any questions or concerns, please contact your child's Social Studies teacher at one of the email addresses listed below. Students do have the opportunity to opt out if you do not wish for them to participate in this field trip. Please have Permissions slips back NO LATER than November 3rd. Students who do not have their forms back by this date will not be able to attend.
