Interpreting Egyptian Pharoahs and their Monuments

Directions: For each of the four pharaohs, answer the questions in **complete sentences** based on what you read/observe at each station. Make sure the questions you answer go with the appropriate pharaoh that you are studying.

Khufu: The Pyramid Builder

(______Kingdom, ______to _____B.C.)

1. Which famous monument is Khufu responsible for building? Why did he have it built?

2. What impact did Khufu have on establishing the pharaoh as an authority figure? How do you know?

3. Do you think Khufu's monument was a great innovation in engineering? Justify your reasoning.
