

The Five Pillars of Islam Activity

Determine which Pillar each situation applies to and why. Write your answers below each situation in the space provided.

Situation 1: Yusuf and his family are boarding an airplane heading for Mecca. This is their first time going there and they are excited. By going they are fulfilling a commitment every Muslim is supposed to make in their lifetimes.

Situation 2: A horn goes off in the distance. Ali slowly unrolls his mat and kneels towards Mecca.

Situation 3: Abdul looks at his friends eating lunch. He is famished but it is still day time.

Situation 4: Noor breaks open her piggy bank and counts \$17.34. Using her awesome math skills she knows that 2.5 percent of \$17.34 equals 43 cents. It is not a lot but she is doing her bit for the poor.

Situation 5: Person 1: "My God is Jehahova. Who is your God?" Person 2: My God is Allah and Muhammed is his messenger"
