

SOCIAL STUDIES

Applying the 5 Standards of Social Studies

Geography: Name your hometown – where you were born, and tell where it is, using state, country, etc.

History: Tell where your ancestors came from.

Economy: Tell how you make money (chores, babysitting, mowing grass, etc.).

Government: Who makes the rules at your house and what happens when rules are broken.

Culture: Tell about your family's lifestyle – such as language, religion, food, music, holidays, etc.
